

REMARKS

After entry of the foregoing amendment, claims 1-76 are pending in the application.

New claims 61 – 76 are closely modeled after claims submitted in application 09/476,686. If the similar claims in both applications are indicated as allowable, a Terminal Disclaimer will be submitted in the second-to-be-allowed application to avoid obviousness-type double patenting.

Favorable action and passage to issuance are solicited.
